

Jim Dusen

*J*im Dusen will present the slide program "*Colorado in 3D: A Stereoscopic Tour*" at our February meeting.

Jim is the Past President of our Niagara Frontier Regional Camera Clubs and was the President of University Photographers' Association of America from 1997 to 2008! He also founded the Batavia Photographic Club in 1986. In 2006, he was awarded the top photography prize by State University of New York Council for University Advancement (SUNYCUAD).

Re: his program, Jim states "*Most of us are very familiar with the typical slide shows where we watch images on a flat projection screen. But with a stereoscopic, 3D, show the screen becomes a window where you look through to view a world beyond. In effect a hole will open beyond the library wall and what you see outside will certainly not be Niagara Falls!*"

This is all accomplished by exposing 35mm color slide film in a two lens 3D camera and then projecting the slides on a two lens 3D projector. And yes, everyone will need to wear those funny polarized glasses!" **F**

Mary Deer

We are saddened to learn of the recent passing of **Mary Deer**, a Life Member of our club, the NFCC. Our sympathies are extended to her family and friends.

Mary Deer and George Butt were the only current Life Members of the NFCC. **F**

PROGRAM SCHEDULE

**February 2
Program**

"Colorado in 3D: A Stereoscopic Tour "
by Jim Dusen, Batavia Photographic Club

**February 23
Monthly Slide & Print
Competition #6**

**March 2
Member's Night**
