## Niagara Frontier Regional Camera Clubs CONVENTION 2009

48<sup>th</sup> Annual Convention  
Friday March 20 - Sunday March 22  
Holiday Inn, Grand Island, New York

### Keynote Speakers

**Rick Sammon**

DIY's (Network) Photography expert, Rick Sammon, is a widely traveled and published photographer, as comfortable with his camera on safari in Africa as he is exploring the world under the sea. A regular photo columnist for AP Special Features and the author of 20 books relating to photography and conservation, he has also written for *Sport Diver* and *Caribbean Travel & Life* and has been a guest host on ESPN's *Photo Safari*.

Rick will be presenting a Workshop on "*Camera to Editing In Elements*".

**Michael Reichmann**

Michael Reichmann has been both a professional photographer as well as an avid amateur for more than 35 years. Born in England, he was raised and educated in Quebec. Over many years he has written numerous articles for magazines and professional journals. In 1997 Reichmann left the corporate world of the telecom industry and now devotes his full-time energies to landscape photography, photographic journalism, print collecting and teaching. He is a **Contributing Editor** to *Photo Techniques Magazine*. Michael will present an 8 Hour Advanced Workshop on "*Capture to Fine Art Print*".

Other presenters are:

*Jack Graham and Mike Moats (Macro Photography)*

*Tony Corbell (Portrait and Glamour Lighting)*

*Don Gale (Landscape Photography)*

*Dave Valvo (Selling Photography at Art Shows)*

*Joe LeFevre (Now That I'm There, What Next?)*

Please make every effort to attend this conference. The NFRCC is bringing these two outstanding speakers to our local area.

## Members' Night - March 2, 2009

At this meeting, members can share their images with the other club members. This presentation usually takes the form of a slide show, which can be put to music or can be narrated, but members can also share their images with a print display. More information on Members' Night will be in the next issue of the InFocus.
