#### **Keynote Speakers**

#### **Friday Evening – Rob Stimpson – “Wild Ontario”**

Ontario is 900,000 square km – an area so vast that it is almost four times the size of the United Kingdom. Within this area are the wild landscapes that define Ontario. My travels as a professional take me to all parts of the province. Join me as I share my images of these iconic landscapes as well as some of the people that make Ontario what it is today.

Rob Stimpson is an internationally published, award-winning photographer best known for capturing the wilds of the Canadian outdoors.

#### **Saturday Evening – Nevada Wier – “A Nomadic Vision”**

Nevada Wier is an award-winning photographer specializing in the remote corners of the globe and the cultures that inhabit them. Nevada's journeys have taken her throughout Southeast Asia, India, China, Nepal, Africa, New Zealand, Central Asia, Mongolia,

South America and other obscure regions of the world.

#### **Sunday Morning – Harry Benson – “From the Beatles to Obama”**

Scottish born photojournalist Harry Benson arrived in America with the Beatles in 1964 and decided to stay. He has been a witness to a great many of the major political and social events in modern history. His work ranges from world leaders to pop stars, all portrayed with an immediacy and naturalness that speaks of a confidence and rapport between sitter and photographer.

Harry's subjects are as diverse as Sir Winston Churchill and The Rolling Stones, and range from Queen Elizabeth II to Brad Pitt.

Other speakers include Deb Sandige, Greg Downing, David Fitzsimmons, David Guy Maynard, Gary Black, Charlie LeFevre and Jillion Bell.

As always, the Golden Horseshoe competition and Friday night keynote are free to all NFRCC members.

### **March Program**

Next Month, we have our annual Member's Night. Please let us know if you have a short program you would like to present. We will also have our Members Choice Competition.
