NFRCC Competitions

There are three major competitions of the NFRCC. The McKellar Competition, the Golden Horseshoe Competition and the George Butt Competition.

The McKellar Competition

In this competition, the regional clubs compete in slides.

Four times a year each club submits slides from six different makers. The club with the highest total score at the end of the four individual competitions is awarded the **McKellar Trophy** for that year.

The NFRCC is hoping to make this (and the Golden Horseshoe Competition) a digital competition. This move to digital should make the competition more representative of the club membership.

Golden Horseshoe Competition

This is held once a year at the convention. Each Club submits twenty slides.

The George Butt Competition

This is a competition for Colour and Monochrome Prints and is held annually at the convention. Unlike the previous competitions, this competition is open only to those who attend the convention. The
