Program January 5, 2009

"Critiquing Images"

presented by NFCC members

On January 5th we will be critiquing our own projected images! Yes, each of us will have the opportunity to judge and express our opinions on all the images presented that evening. In the first half of the meeting, we will be in small groups and members will be able to share their views on each of the images. After the break, we will meet as a large group where the small groups will share the results of their discussions.

Images are needed for this program. Help make this evening a success by attending and by submitting an image to be critiqued. Any member, competing or non-competing, can submit up to two(2) images in the usual format. Please email your images to leskhan@cogeco.ca by December 21, 2008. Thanks! **F**
